Supreme Court Clerk

Administrative File Number 2001-10

June 7, 2005

The Michigan Court Administration Association (MCAA), supports the changes to MCR 8.123 as this amendment lends itself to simplifying the current reporting requirements.

Having courts cooperate by being in a position to provide additional information to the State Court Administrative Office, as needed, is a reasonable alternative to the current rule.

James P. Harkins Jr.

Court Administrator

48th. District Court

Legislative Committee - MCAA

248.647.1141
